

Cyndi Lauper, Right Track Wrong Train

The train was leaving at 10 after 10
I got to the station just in time to check in
I've been bumpin' my bags all around
I'm trying hard to never knock people down
But I can see I left a few on the ground
And as the train pulls away I can hear the conductor say

Right track wrong train (echoes)
Right track wrong train (echoes)
I'm not to blame (echo)
Right track wrong train... train

I read my schedule but my train wasn't there
I re-read my ticket, it said going nowhere
Everybody had the same tattooed face
All the women and men dressed in lace
I think I gotta get out of this place
I should've got off before the engineer locked the door

Right track wrong train (echoes)
Right track wrong train (echoes)
I'm not to blame (echo)
Right track wrong train, train train train hey !

"Hey that's a neat tattoo you're wearing. By the way where'd you get it ?
Uh huh. Say, is this an express train ? Uh huh.
Snack bar ? Uh huh. Uh huh."

Something is happening so familiar to me
Is this the outer limits like on TV ?
Another empty town fading to gray
Another Coca-Cola sign on the way
Have a cup of coffee, have a nice day
And as the train pushes on,
We're headed for Babylon
Oh no...

Right track wrong train (echoes)
Right track wrong train (echoes)
Right track wrong train...
On the wrong train on the right track
We don't know if she'll ever come back

(Talking) What train is this ?
Something is happening so familiar to me
Is this the outer limits like on TV ?
Have a cup of coffee, have a nice day (talking)
"Yeah, yeah I'll be right there yeah.
I'm gonna get the next train yeah."
