

# Cyndi Lauper, The Groonies R Good Enough

I said: I'm sorry baby  
I'm leaving you tonight.  
I found someone new  
he's waitin' in the car outside.  
Ah  
honey  
how could you do it  
we swore each other everlasting lov  
I said yeah  
I know  
but when we did  
There was one thing: We were thinking not about -  
Money  
money changes everything.  
I said money  
money changes everything.  
We think  
we know what we're doin'  
we don't know about.  
It's all in the past now - money changes everything.  
They shake your hand and they smile and they buy you a drink.  
They say: We'll be your friends  
we'll stick with you till the end.  
Ah  
but everybody's only looking out for themselves.  
And you say well  
who can you trust?  
I'll tell you it's just nobody else as the money.  
Money changes everything  
I said money  
money changes evelything  
We think  
we know what we're doin'  
we don't pull the strings.  
It's all in the past now - money changes everything.  
Money  
money changes everything.  
We think  
we know what we're do  
We don't pull the strings.  
It's all in the past now - money changes ever  
Money changes everything now  
money changes everything now  
Money changes everything  
money changes everything.
