

Cyndi Thomson, I'm Gone

(Kim Richy/Chuck Prophet)

One more time
Yeah, that's what I said back a couple of times ago
Thank you
Kindly for reminding me I'm good to go

I'm gone
And I'm taking all my good stuff
Gone, gone
You'll never get it back
I'm gone, gone
Been a long time coming
Bet you're gonna miss me bad

That's right
This party isn't all that it's cracked up to be
Yeah, boy
You gotta grab yourself a partner but don't look at me

I'm gone
And I'm taking all my good stuff
Gone, gone
You'll never get it back
I'm gone, gone
Been a long time coming
Bet you're gonna miss me bad

Hey you
Yeah, you there with that smug look smeared across your face
That's right
I've got better things to do than hang around this place

I'm gone
And I'm taking all my good stuff
Gone, gone
You'll never get it back
I'm gone, gone
Been a long time coming
Bet you're gonna miss me bad

I'm gone
And I'm taking all my good stuff
Gone, gone
You'll never get it back
I'm gone, gone
Been a long time coming
Bet you're gonna miss me bad
