Cypress Hill, Psycobetabuckdown

[B-Real]
I increase my throttle, uplift my shuttle
Tribe in a huddle, pilot on auto - bro
I'm not a role model, more like a psycho
A Bates type of +Psycho+, cut you like Michael
+Halloween+ character, or computer wizard
Hit you with the blizzard, cut your circuit with my scissors
Shorts'll get crossed while you're in the crossfire
You get blasted, you dumb-ass bastard
See you need the day-ta *, better I say dah-ta *
