

D12, Nasty Mind

Stop

You want me to do what?

What are those?

You want me to stick those in your what?

[Chorus: Bizarre]

What is on your nasty mind?

(Nasty mind, nasty mind)

Don't you wanna get some from behind?

(From behind, from behind)

Then treat me like a dirty slave

(Dirty slave, dirty slave)

And beat me like I won't behave

I just wanna get freaky baby

[Swift]

I'm too Swift on my toes

To get caught up with you hoes

You don't know me (uh huh)

See I ain't gotta front or play the role (for real)

I'm an O.G.

I know when you're being phony

See you're probably boning them officers

Just to pull up on me (slut)

That's why sixty percent of women that's lonely (uh huh)

They getting my mix only

They trying to creep slowly because they nosy

I ain't listen to what my momma told me

I fuck 'em and pass 'em to my homies (right)

Then he fuck 'em and pass 'em to the homies (take her)

I'm a nasty ass macaroni

You flashing fast money

You can pass the Roley

Fuck a alimony (bitch)

If you want me

And ain't out screaming about your monthly

I'll be sticking your pretty ass until you turn ugly (damn)

You suddenly see stars when fucking me

Ain't no mnages

I-want-'em-in-threes

Release your garments (trick)

It ain't even me to hold back

I'll fuck your mom quick

Have her running around this bitch screaming

"That's my dick!!"

[Kuniva]

Yo, I know I'm dogmatic

But your pussy walls have had it (that's right)

It's evident that you been fucking like a jackrabbit

But I stayed focused (bitch)

So I acted like I didn't notice

And fucked her with no baby lotion

And bust in the soap dish

Hoe, you can quote this

Your breath is smelling like

You done sucked a senior citizen's old dick

Go spit (damn)

You gon' get choked quick

Talking all that hoe shit

All aggressive asking for a slow kiss

No bitch (get the fuck outta here)

You like freaking

See you every night creeping

Sucking off the nice deacon
Slut you made his wife leave him (cunt)
So keep slurping
I'll be down to the fullest
But forget it bitch
Your nipples look like AK bullets (I'm out)

Chorus

[Kon Artis]
Yo, I'm tearing down whatever you built
Your marriage is through
Cuz I answered your wife's door naked
Wrapped in a quilt
Hoes say,
"Kon Artis got a dick so big"
Man, I could persuade any bitch
To have eight of my kids
Shit, bitch
I should be locked up
For having honies' legs cocked up
In the back of my pop's truck
I'm not fucked up
I just got a fetish for shooting
Cumm in coochie
Till the pussy is pooting it back out
I 69'd this one bitch and she bled in my mouth (shit)
Kicked her out
Cleaned the couch out
And beat up my clout
I don't gotta creep in motels
I cheat at my house
See I'm a dog
I don't need to keep a secret hide out (naw)

[Bizarre]
All night I been snorting
Your age and where you're from
It's just not important (naw)
You look like one of my mistresses
On welfare, ten kids like the rest of my bitches
Dreams of fucking a handicapped bitch
Suck my dick while your teeth start to grit (whore)
Inner slave, that's how I want you to treat me
I ain't into S&M
But I love when you beat me
I told you I was a horny ass freak
While I'm beating my meat
Your daughter acting like she asleep (ya right)
Our love is like thunder and lightning
After it's over
I'm looking like I got my ass kicked by Tyson

Chorus

I just wanna get freaky baby (repeat)
