

D12, Obie Trice (Skit)

knstrr... frrrs....

Proof as DJ:

Yeah, this is DJ Seven Deuce for Motown sounds of W-Down (haha)
Give a big shoutout to Runyan Ave. and them Detroit playas
youknowwhatImean. And we're gonna go to the phone lines
right now...

Caller *beep*

Kuniva as Rondell Beene:

Callar my ass, you know who this is. Look, I'm mad as hell,
first you got Eminem. This nigga said he's gonna get me on
his album. No show I didn't get on it - Then he signed these
niggas D12, little punk ass niggas. And all of a sudden I heard
he signed this new motherfucker named...

Obie Trice:

Obie Trice

First I took the underground over

The well known asshole brought y'all hoar

Then the industry saw interest in me

Now I'm Shady Records like Marshall Mathers LP

Mr. Trice

The name has ocured in you conversation

But the face is blur

And if you never spoke my name nigga you heard

Got word from that naggin bitch that stay bootleggin

Underground since the Fu-Schnikens

Or underground since Chi Ali was fuckin with them stupid bitches

Different kinda species (Aaaaah!)

Shittin on you punk motherfuckers with the Dirty Dozen tupa fecies
