

# d4vd, Placebo Effect

Days go by  
So rapidly  
Oh won't you comfort me

I know what we had  
It was make believe  
Oh a placebo  
I can't take a loss like that again  
I'd rather float off in the wind  
But maybe this is how it's supposed to be  
I guess we'll see

On the other side  
Where the grass seems to be greener  
On the other side  
Where my rib cage could be cleaner  
On the other side  
Where the light will not go out  
Oh on the other side  
Other side

Take my time  
Please stop rushing me  
For company  
I can't figure it out  
I need you here but you're not near

I can't  
I can't  
I can't  
I can't  
Remember what was a dream  
Or a memory  
Love isn't real  
Not to me  
Not to me

Oh, oh, oh oh  
It was make believe  
Oh, a placebo
