

# Da Blitz, Let Me Be

Let me be  
Let me be me  
Let me be  
But dont leave me oh...  
Let me be  
Let me be me  
Ill be free at last

Let me be what I want to be  
Let me be what I want to be  
Cause I have to be, what I need to be  
Even though for me theres no room you see  
Let me be what I want to be  
Try to see what Id love to be  
What you see in me is not only me  
So let me be and you let me be me
