

# Da Buzz, Love Is Stronger Than Words

"Everytime i look at you and  
everytime you say you do

I can't believe it baby  
my love is stronger than words

I have  
this feeling inside me  
so deep  
so honest and so true  
I need  
you here beside me  
so I  
can keep on loving you

with every breath you take  
feels like I'm living in a dream  
you take my hat and say  
baby be with me

everytime I look at you  
everytime you say you do

I can't believe it  
my love is stronger  
than words can say

everytime I look at you  
everytime you say you do

I promise you  
my love is stronger than words  
stronger than words can say

Don't want  
to fight this feeling  
this feeling  
going deep inside  
it's the rythm of two hearts beating  
when we're standing  
on the edge of time  
you're everything i want  
you make me laugh  
when I'm feeling down  
you take my hat and say  
baby be with me

everytime I look at you  
everytime you say you do

I can't believe it  
my love is stronger  
than words can say

everytime I look at you  
everytime you say you do

I promise you  
my love is stronger  
than words  
stronger than words can say

In your eyes  
I have seen

all my dreams come true  
everything you hide inside  
you wonder why  
I'm so in love with you

everytime I look at you and  
everytime you say you do

I can't believe it baby  
my love is stronger than words

everytime I...

everytime I look at you  
everytime you say you do

I can't believe it  
my love is stronger  
than words can say

everytime I look at you  
everytime you say you do

I promise you  
my love is stronger  
than words  
stronger than words can say"
