

# Dada, Who You Are

I could fall in love  
Pick a flower  
I'll give it a face  
But it would never replace

Who you are

I could sing forever  
Get drunk on guitar  
Feel the drums and bass  
But I could never replace

Who you are  
Who you are

I could set this cold blue world ablaze  
But the sun would still rise  
And I would never replace  
Who you are

I'd take a train to nowhere  
A rocket to mars (rocket to mars)  
I'd get lost in space  
But I will never replace

Who you are  
Who you are

I could set this cold blue world ablaze  
But the sun would still rise  
And I could never replace

(kick-ass solo)

Who you are  
Who you are

I could set this cold blue world ablaze  
I could set this cold blue world ablaze  
Who you are  
Who you are, yeah, yeah
