Daddy Dewdrop, Chick-A-Boom (Don't Ya Jes' Lo

Last night I had a crazy dream
About a chick in a black bikini
Oh she looked so good she couldn't be real
So she must be a magic genie
But then she disappeared around a corner
All I saw were three doors and the top of her bikini
I made it through the first door there was a party going on
I asked about the chick but what they said was this

Chick-a-boom chick-a-boom don't ya jes' love it Chick-a-boom chick-a-boom don't ya jes' love it Chick-a-boom chick-a-boom don't ya jes' love it Chick-a-boom chick-a-boom-boom-boom

Behind the second door
Which took me to Africa I presume
This really far out cat was screaming half crazy "Bomp boom a loo bom a long bam boo&quo
I said hey man cut that jive
And tell me where the chick went
But he looked at me as pleased as could be
And said a lotta words but I wonder what he meant

Chick-a-boom chick-a-boom don't ya jes' love it Chick-a-boom chick-a-boom don't ya jes' love it Chick-a-boom chick-a-boom don't ya jes' love it Chick-a-boom chick-a-boom-boom

Ah don't ya jes' love it Ooh don't ya jes' love it Don't ya love it, don't ya love it Oh yeah, don't ya jes' love it Don't ya jes' love it

I found the bottom half

Now I opened the third door and there she was And she whispered so sexy oh ooh I tried to do the same and impress her with my style But why this chick would never know
