

# Daddy's Groove, Stellar

All the stars in an endless sky  
Couldn't shine as bright as you and I  
The way you're making me feel tonight  
Stellar, f\*cking stellar

We're so close I'm afraid we might  
Explode as soon as we ignite  
The way you're making me feel tonight  
Stellar, f\*cking stellar

Stellar, f\*cking stellar

Stellar, f\*cking

Stellar, f\*cking stellar

Stellar, f\*cking stellar

We're so close I'm afraid we might  
Explode as soon as we ignite  
The way you're making me feel tonight  
Stellar, f\*cking stellar

Stellar, f\*cking

Stellar, f\*cking stellar

Stellar, f\*cking stellar
