

Daddy Yankee, Like You (Perfect)

Yo!
It's your boy!
Daddy Yankee!
all my latin@s stand up!
marcando la historia
caminen conmigo en esta!
holla back
you know how we do man!

cause you're the only one for me
(all I want is a girl like you)
It's the way that you make me feel
(all I want is a girl like you)
cause you're the only one for me
(all I want is a girl like you)
It's the way that you make me feel
(all I want is a girl like you)

Straight up it's your bad ass baby you hot
In the hood you don't feel tension when you walk down the block
That's the reason why my head is cocked believe it or not
Me and you can rule the world like Big Pun and Pac
Cause you my main homie my main shorty
Cock back hammers and bang homie protecting our gauge slowly
With a girl like you forget the nonsense
We be the most talked about like chicas and gossip
dile!

Daddy Yankee you shining right now
Come on cop me now I got this game locked down
What you dream about big things chrome wheels, own bills
Me and you holding it down it's all real
Come on!

Cause you're the only one for me
(all I want is a girl like you)
It's the way that you make me feel
(all I want is a girl like you)
Cause you're the only one for me
(all I want is a girl like you)
It's the way that you make me feel
(all I want is a girl like you)

La negra tiene tumbao
Cuando camina de lado
Por la calle ocho sin miedo we be wildin out
Switching lanes on the freeway corriendo por miles
A little foreplay like Bonnie and Clyde in da crimen
Flossing you is not a felony
How am I a player ma'
Do I look like bill bellamy
Mo te molestes yo soy tuyo na' mas
I'm not a player I just crush a lot

tu eres la chica ideal para mi
(all I want is a girl like you)
como tu nadie me a hecho sentir
(all I want is a girl like you)
cause you're the only one for me
(all I want is a girl like you)
It's the way that you make me feel
(all I want is a girl like you)
