

Daddy Yankee, Papi Lover

Daddy!
El Fuego Del Caribe, ma!
(Daddy Yankee...)
(Nicole...)
(Yeah...)

(Hook: Nicole Scherzinger)
You are the king of my heart
And I was yours from the start
So don't you ever go far
(Papi Lover!)
There ain't no other like you
No other lover than you
So does not mean what you do
(Papi Lover!)

(Verse 1: Daddy Yankee)
Soy rey de los Corazones
En todas las relaciones
Despierto mil emociones
Y no tengo comparaciones
Se como tu te pones
Tu no tienes limitaciones
Viajando en las dimensiones
De sensacion y pasiones (Ohh!)
Llamame Rapido
Le llevo tranquilo
Mami solo tu y yo
Formamo' el vacilon
Que tu quieres, whu-whu-what!?
Yo lo tengo, whu-whu-what!?
Mucho cariito ma'
El Papi Lover te lo da

(Daddy Yankee) + (Nicole)
I'll be there as soon as you call me
(Te estoy esperando...)
Baby I won't leave you lonely...
You know I got you, ma'

(Nicole Scherzinger)
You are the king of my heart
And I was yours from the start
So don't you ever go far
(Papi Lover!)
There ain't no other like you
No other lover than you
So does not mean what you do
(Papi Lover!)
When I look in your eyes
I see a heat in your fire
I know your every desire
(Papi Lover!)
El Jefe de mi amor
You are the One I adore
Like no one ever before
(Papi Lover!)

(Verse 2: Daddy Yankee)
Responde
Vamo' a determinar quien en tu vida te corresponde
Esa felina quien la domina y la pone en orden
Ponte fresca y te tumbo el frente
Asi es mi corte, you know gurl

Todas esas cositas quien te las enseo
Quien es tu amigo y tu amor incognito
El que convierte tu inocencia en la pasion
Tu perdicion...
Tu sabes!

(Daddy Yankee) + (Nicole)
I'll be there as soon as you call me
(Te estoy esperando...)
Baby I won't leave you lonely...
Yo no te suelto ma!

(Nicole Scherzinger)
