

Dagmara Pyzik, You and Me

I remember the day when I met you
You were so special, so different from everyone else
And I fell in love

I like to feel this rhythm
When water turns to fire
I like to feel this rhythm
When love warms a cold heart

Ref: You and Me forever
You and Me forever
You and Me forever

So close and so far away
We keep passing each other
And it could be so beautiful
Let's put aside the quarrels and sorrows

I like to feel this rhythm
When water turns to fire
I like to feel this rhythm
When love warms a cold heart

Look in my eyes
Let's believe in what good is yet to come
Look in my eyes

You and Me forever
You and Me forever
You and Me forever
You and Me forever
