

Dahpne And Celeste, School's Out

Sitting in class is a pain in the neck
Hows about me taking a three year rain check
Gonna do what I want t do
Don't wanna graduate
Gonna take a break from everything that I hate

Hey there teach
I'm talking to you
You can't tell me what to do!

Schools out for summer
Schools out for-ever
Schools blowen to pieces

Head strain-brain drain
School is such a pain
No tears, all cheers we want outa here

Don't care about no popularity crown
The prom king and queen are just a couple of clowns
We can read
And we can write
What we need to know
IS WHERES THE PARTY TONIGHT!!

Hey there teach
I'm talking to you
You can't tell me what to do

Schools out for summer (wanna take a vacation from education)
Schools out for-ever (Getta qualification in relaxation)
Schools blown to pieces

No more pencils, no more books
No more teachers dirty looks
Out for summer
Out til fall
We might not go back at all

Schools out for summer
Schools out for-ever
Schools blowen to pieces
Schools out for summer
