

Daily Planet, I Live

Words by Regie Hamm, Music by Jesse Butterworth

Move in me as You must
Breathe Your life into this dust
Mold my heart to Your will
Shape this shapeless soul until

CHORUS

I live to sing Your praise
Like a lullaby, like Amazing Grace
I live to sing Your praise
Until my days are gone And I see Your face

Mysteries remain unknown
Until I stand before Your throne
I lift my eyes to take You in
I long for this, but until then

REPEAT CHORUS
