

# Dakota, Long Hot Summer

These days and nights go by  
We lead our secret lives  
If they found out they'd tell us no  
Come on and take me hand  
This is our only chance  
Just close your eyes and let it go

Baby we can fly in the middle of the night  
You know I'm serious  
It'll be alright when we reach the other side  
You know I got delirious  
I don't want to be the last one  
I don't want to be the one who holds you down  
What I feel ain't wrong  
Won't be long till we can leave this town

Just up for your love  
Just up for your touch  
Ain't no stopping us now  
It's gonna be a long hot summer

It's your life it's your life  
It's gonna be a long hot summer

Sneak in out after dark  
To heal our lonely hearts  
No need to rush, we take it slow  
They don't think we'll see it through  
I won't rest till I have you  
We'll be out of sight before they know

Baby we can fly in the middle of the night  
You know I'm serious  
It'll be alright when we reach the other side  
You know I got delirious

I don't want to be the last one  
I don't want to be the one who holds you down  
What I feel ain't wrong  
Won't be long till we can leave this town

Just up for your love  
Just up for your touch  
Ain't no stopping us now  
It's gonna be a long hot summer

It's your life it's your life  
It's gonna be a long hot summer
