

Dallas Frazier, Got My Mind On The Border Of M

I just left San Antonio heading down to the town of Laredo
Got my mind on the border of Mexico
Gonna stop for a tank off to go at a place called a Purple Sombrero
Got my mind on the border of Mexico
Drinking tequila with young señoritas and listening to the mariaches play pretty songs
The lips of a woman will kiss me good mornin'
The same lips that promised to love me till dawn
I can tell you if you don't know what a peso can do for a gringo
Got my mind on the border of Mexico
[ac.guitar]
Drinking tequila...
Got my mind on the border of Mexico
