

Dallas Green, Love Don't Live Here Anymore

You abandoned me
Love don't live here anymore
Just a vancancy
Love don't live here anymore

When you lived inside of me
There was nothing I could conceieve
That you wouldn't do for me
Trouble seemed so far away
You changed that right away, baby

You abandoned me
Love don't live here anymore
Just a vancancy
Love don't live here anymore

Love don't live here anymore
Just emptiness and memories
Of what we had before
You went away
Found another place to stay, another home

You abandoned me
Love don't live here anymore
Just a vancancy
Love don't live here anymore
