Damage, Invisible By Dside

D-side never recorded this song

What you doing tonight,
I wish I could be a fly on your wall
Are you really alone
Who's stealing your dreams
Why can't I breath you into my life
(So tell me)
What woud it take to make you see that I'm alive

If I was Invisible,
Then I could just watch you in your room
If i was invisible,
I'd make you mine tonight
If hearts were unbreakable
then I could just tell you where I stand,
I would be the smartest man,
If i was invisible...wait I already am

Saw your face in the crowd,
I call out your name,
you dont hear a sound,
I keep tracing your steps,
each move that you make,
wish i could read what goes through ur mind
(what goes thru ur mind) (oh baby)
wish you could touch me with the colours of your life

If I was Invisible,
Then I could just watch you in your room
If i was invisible,
I'd make you mine tonight
If hearts were unbreakable
then I could just tell you where I stand,
I would be the smartest man,
If i was invisible...wait I already am

I am nothing without you,
Just a shadow passing through

If I was Invisible, (ahhhhhhhh o wow)
Then I could just watch you in your room (rock n roll)
If i was invisible,
I'd make you mine tonight
If hearts were unbreakable (ohh wow)
then I could just tell you where I stand,
I would be the smartest man,
If i was invisible...wait I already am
