#### **VERSE**

Well did you know the pen Is stronger than the knife They can kill you once But they cant kill you twice Did you know destruction of the flesh Is not di ending to life Fear not of the anti-christ Did you know that I Exist before the earth And did you know my eyes Are window to the world Did you know you can't go ah Zion and ah wear jerry curls Can't tell di boys from di girls Your bodies just a vehicle Transporting the soul It's what's inside people Is beauty to behold Fear not of evil Every day dem flesh it grow old Changes of the times take a toll

### **CHORUS**

**VERSE** (Capleton)

## **BRIDGE**

A vester on his chest
And Rastafari is his name
A gift of everlasting life
For us to all sustain
Blessing that you all be got
Lessons taught you all forgot
Rasta call I shit you not
Do you remember Elijah
And his chariot of flames
Same blood dat run thru my veins

**VERSE** (Capleton)

### **CHORUS**

VERSE (Drag-On)

Watch for sticks and stones
Stumbling blocks in piles
Life is one big road
Miles on top of miles
So blessed be the soul
That always remains a child
And most people don't even smile
There's a natural mystic

Blowing in true the air
So keep it realistic
And always be aware
The truth is crying out
And its so loud and so clear
But most people won't even hear
Spiritual pollution is in the atmosphere
And with so much confusion
Can one be happy here
The gift of Rastafari is for all man to share
But some would rather to be so unfair

**CHORUS**
