[Nas]

Sometimes I can't help but feel helpless I'm havin daymares in daytime Wide awake try to relate This can't be happenin like I'm in a dream while I'm walkin Cause what I'm seein is haunting Human beings like ghost and zombies President Mugabe holding guns to innocent bodies In Zimbabwe They make John Pope seem Godly Sacrilegious and blasphemous

In my lifetime I look back at paths i've walked

Where savages fought and pastors taught Prostitutes stomp in high heel boots And badges screaming,"Young black children stop or I will shoot!" I look back at cooked crack Plus cars that pass by Jaguars mad fly And I'm guilty for materialism Blacks is still up in the prison Trust that So save me your sorries, I'm raising an army Revolutionary warfare with Damian Marley We sparkin' the ions, marching to Zion You know how Nas be NYC state of mind I'm in

[Verse 1 Repeats]

l got to keep on walking on the road to Zion, man We gots to keeps it burning on the road to Zion, man

[Chorus 2]

Clean and pure meditation without a doubt Don't mek dem take you like who dem took out Jah will be waiting there we a shout Jah will be waiting there! In this world of calamity Dirty looks and grudges and jealousy And police weh abuse dem authority Media clowns weh nuh know bout variety Single parents weh need some charity Youths weh need some love and prosperity [3x:]
