Damien Rice, Eskimo

Tiredness fuels empty thoughts I find myself disposed Brightness fills empty space In search of inspiration Harder now with higher speed Washing in on top of me So I look to my eskimo friend I look to my eskimo friend I look to my eskimo friend When I'm down, down, down.

Rain it wets muddy roads
I find myself exposed
Tapping doors, but irritate
In search of destination
Harder now with higher speed
Washing in on top of me
So I look to my eskimo friend
I look to my eskimo friend
I look to my eskimo friend
When I'm down, down, down.

When I'm down, down, down. When I'm down, down, down.
