

Damien Rice, Groovin'

What am I gonna do about you girl?
You don't seem to believe me when I say
That you are the one that's got me feeling this way
You've got me groovin', yeah
You've got me groovin' groovin' groovin'

But please don't believe that we ain't got it real
I should know just how I feel
Please believe me when I say
You are the one that's got me feeling this way
Yeah, you are the one that's got me feeling this way

And it ain't no stupid memory of mine
Please forgive me if I've been out of line
It's you girl, you've got me groovin'
You've got me groovin', yeah
You've got me groovin' groovin' groovin'
