

# Damiera, Ember Eason

Let's forget the weight beneath us  
Let's forget the weight beneath us  
Expand affording your  
Loss of all  
Expand affording your  
Loss of all things now  
Letting go  
Plan aesthetics' overtaking  
An afformentioned fail to fly  
Fasting glands  
Are taking in while treading water  
Seeds the angle to fair co-patients what's wbeen aging  
Battling seems imperfect when preferred we're left alone  
Expand  
Fall  
Stop exacting life  
Over and over seems that i can't even touch the ground  
I understand exactly that we'll have to live with it  
Let's forget the weight beneath our weightless feet  
Let's forget the weight beneath our weightless feet  
Let's forget this truth  
Tucked away  
Seeming growing  
Leaving quickly  
Personel seems to fade in  
Take in away front forward battling seems  
Perfect  
When preferred we're left alone  
Expand  
Fall  
Stop exacting life  
Over and over seems that i can't even touch the ground  
I understand exactly that we'll have to live with it
