

Damnation, Phuckerman

It's not profound to say f**k you X2
To the ones that are out to get you X2
It's not profound to say f**k off
To the ones against you X2
Are we listening f**k you X3
To the swine that puts us out
To raping us for cash
It's not profound to scream f**k you X2
To the ones that would lie to take you
F**k you
It's not profound to scream f**k off
F**k off
Are we listening f**k you X3
To the swine that puts us out
To raping us for cash
F**k you to the parking policeman
To the ones that hold us back
Phuckerman
Phuckerman
F**k you & you X2
