

# Damned, Fish

Well I've seen you hanging round and round  
On the streets with something that's on your mind  
Don't you think that I'm being fresh?  
Only want to lay with you  
I promise you won't smell no fish  
I said fish

Well I don't want you to think I'm being obscene  
When I say say say I wanna hold your hand  
Feeling kind of cold need something hot to hold  
Only wanna lay with you  
I promise you won't smell no fish  
I said fish

(Instrumental Break)

Fish  
Fish

Well I've seen you hanging round and round  
On the streets with something that's on your mind  
Don't you think that I'm being fresh  
Only wanna lay with you  
I promise you won't smell no fish  
I said fish  
I said fish  
I said fish
