

# Damned, Liar

Theres not a word of truth in anything that I say  
I don't really want to listen till they go away  
I haven't finished and I never try  
If you ask me reasons I just lie

I'm a liar, liar, I never tell the truth  
I'm a liar, liar, I never tell the truth

I tell you how I feel and why it is  
And what you are if you don't start to give  
I love spending hours watching television  
I stole the best lies and then I call up your crepid politicians

I'm a liar, liar, I never tell the truth  
I'm a liar, liar, I never tell the truth

I smoked your last cigarette I say that someone else did  
I send your mum to the bed to find if your sisters frigid  
You ask me why, I just lie  
I'm a liar, liar

I'm gonna be the biggest liar in the world  
I'll be so good you'll believe every word  
I could even make you believe Adolf Hitler  
Send him to Russia for the winter

I'm a liar, liar, I never tell the truth  
I'm a liar, liar, I never tell the truth
