

Damon Albarn, Royal Morning Blue

[Verse 1]

Rain turning into snow
You put on your robes and disappear
Into new realities
Thought and memory
Stay by your side

[Chorus]

Royal, royal morning blue
You are saved
And nothing like this had ever happened before

[Bridge]

(I'm saved) The nearer the fountain
(Royal morning blue) I'm saved
Royal morning blue (Royal morning, royal morning blue)

[Verse 2]

Running out of things
Sent to give us wings
To fly away

[Chorus]

Into royal morning blue
Memories of you

[Outro]

At the end of the world
Stay by my side
At the end of the world
Stay by my side
Royal morning blue
