Damone, Driveway Blues

I've been here all day
And thinking about you
And the things I need to change
But the more I crave
The more I screw things up
And push you far away from me
And I don't think it's fair
Now I have to go
I'm working out
How to unchain the way I need you in my days
so I can be without the pain
and the more I train
the more you're on my mind...mind

I neer knew i'd feel this way
about someone until you came
so now i'm losing in my brain
and the more I lose
the more I want to die...die
