

Dan Auerbach, I Want Some More

You've got the tenderness that I've been searchin' for
Oh, I want some more
You got sweet lips like I did never taste before
Oh, I want some more

Everything you've got
Just what I always wanted
Right down to a T
Nothin' about you that don't please me

I'm just a kid and you're a walkin' candy store
Oh, I want some more
Yeah

You've got the tenderness that I've been searchin' for
Oh, I want some more, yeah
You got sweet lips like I did never taste before
Oh, I want some more

Everything you've got
It's just what I always wanted
Right down to a T
Nothin' about you that don't please me

I'm just a kid and you're a walkin' candy store
Oh, I want some more, yeah
Yeah
