Dan Band, Total Eclipse Of The Heart

Turnaround, every now and then i get a little bit lonely and you're never coming round Turnaround, every now and then i get a little bit tired of listening to the sound of my tears Turnaround, every now and then i get a little bit nervous that the best of all my years have gone by Turnaround, every now and then i get a little bit terrified and then i see the f***in look in your eyes Turnaround bright eyes, every now and then i fall apart Turnaround bright eyes, f***in every now and then i fall apart

And i need you now tonight i f***in need you more than ever And if you'll only hold me tight We'll be holding on forever And we'll only be making it right Cause we'll never be wrong together We can take it to the end of the line Your love is like a shadow on me all the time sh** I don't know what to do and i'm always in the dark We're living in a powder keg and giving off sparks I really need you tonight Forever's gonna start tonight Forf***inever's gonna start to...

Once upon a time i was falling in love Now i'm f***in falling apart Nothing i can say A total eclipse of the heart O Jesus once upon a time there was light in my life But now there's only love in the dark Nothing i can say A total eclipse of the heart

Total eclipse of the... X 10 (Turnaround Bright Eyes) A total eclipse of the heart Total Eclipse!
