

Dan Bern, Marilyn

Marilyn Monroe didn't marry Henry Miller (x4)

But if she did

He'd a taken her to Paris

And if she did

She'd have smoked a lot of opium

And if she did

She'd have dyed her hair blue

And if she did

She might be alive

Oh-ohh Henry Miller

Oh-ohh Marilyn Monroe

Oh-ohh Henry Miller

Oh-ohh Marilyn Monroe

Marilyn Monroe didn't marry Henry Miller

She lived outside the Tropic of Capricorn

Marilyn Monroe didn't marry Henry Miller

I don't even know if she knew Henry Miller

But if she did

He'd a taken her to Paris

And if she did

They'd have fucked every day

And if she did

She'd have felt like a woman

Not a photograph

In a magazine

Oh-ohh Henry Miller

Oh-ohh Marilyn Monroe

This is not a knock against Arthur Miller

Death of a Salesman is my favorite play

But Marilyn Monroe

Should have married Henry Miller

And if she did

She might be alive

Cause if she did

He'd have taken her to Paris

Tied her to the bed

And eaten dinner off of her

And okay maybe

she'd have died the same, anyway

But if she did

she'd have had more fun

Oh-ohh Henry Miller

Oh-ohh Marilyn Monroe

Oh-ohh Henry Miller

Oh-ohh Marilyn Monroe
