Dan Hill, Dance Of Love

You are the love of my life And you are the reason I'm alive And baby baby baby When I think of how you saved me I go crazy

I've never known love like this And it fills me with a new tenderness And I know I know I know You're in my heart you're in my soul You're all I can't resist

And I need to tell you The first time I held you I knew you are the love of my life

I spent a lifetime waiting Always hesitating until you I was lost so deep inside my shell 'Til you came and saved me from myself Now all I really know Is I need you

And you are the love of my life All the joy and tears that I cry And baby baby baby You don't have to say a word I see it in your eyes

As we stand together
I promise forever
'Til the day that I die
You are the love of my life

I spent a lifetime waiting Always hesitating until you I was lost so deep inside my shell 'Til you came and saved me from myself Now all I really know Is I need you

You are the love of my life You are the reason I'm alive
