

Dan McCafferty, Cinnamon Girl

I'm gonna live with the cinnamon girl
I could be happy the rest of my life
With a cinnamon girl

A dreamer of pictures and run in the night
To see us together chasing the moonlight
My cinnamon girl

Tinsel and saxes her face with a bow
The drummer relaxes and waits between shows
For a cinnamon girl

chorus:

Pa send me money now
I've got to make it somehow
I need another chance
See your baby loves to dance
