

Dan's Home Grown, Give It Up

ill turn you off like a stereo
turn the dial and youll never know
Don't try to think you know what I'm thinkin'

So give it up now
Just give it up now

Give it up whoa-oh-oh
Give it up now Give it up now
Give it up whoa-oh-oh
Give it up now Give it up now

Take a Chance on stupidity
Have a come ride with me
We'll set a course for anywhere but here

So give it up now
Just give it up now

Give it up whoa-oh-oh
Give it up now Give it up now
Give it up whoa-oh-oh
Give it up now Give it up now

Don't be afraid
To make a mistake

Don't be afraid (Don't be afraid)
To make this mistake (To make a mistake)

Don't be afraid
To make a mistake

I'll turn you on like a stereo (stereo)
So take your chance or you'll never know
The waters deep but boredem can kill you

So give it up now
Just give it up now

Give it up whoa-oh-oh
Give it up now Give it up now
Give it up whoa-oh-oh
Give it up now Give it up now
Give it up whoa-oh-oh
Give it up whoa-oh-oh
