

# Dan's Home Grown, Last Night Regrets

a night of no rest  
i was laying on her breast  
a morning of regret  
i realized i slept with my friend  
a silent good-bye  
she gave me no reply  
i asked her for a kiss, she answered with her fist  
i fucked up again  
i lost another friend  
i am a user  
i didn't mean to lose her  
i couldn't keep my pants on  
and she's hating me

unable to think, had one too many drinks  
when we were in bed  
i was using my other head  
hating myself  
i gave her no respect  
feeling like a pig  
regretting what i did  
i saw her again  
she used to be my friend

no conversation  
i had no explanation  
she looked me in the eyes and she said to me  
she said it's over  
she said it's over  
she said it's over don't talk to me

she said it's over  
she said it's over  
she said it's over don't talk to me

and i said  
i'm sorry  
i'm sorry
