"Whats that!?...
Its a bird, its a plane...
No!..Its..."

Superman! I love you superman,
Do it to me superman,
I need you superman.

Superman, you make me feel,
I'm the queen of the world,
Superman, you make me feel,
So special, well...

You take me up and round and round,
Were flying, oh so high and high,
You pick me up, oh superman!
I'm gonna' shout again and again!...

Superman! I love you superman,
Do it to me superman,
I need you superman
