

# Dandy Boy, How Gravity Killed My Dreams

So many views  
on such a shit issue  
they all think it matters

so what we don't drink tea  
will you stop listening?  
they all think it matters

I'm tired of having to think before  
every little thing I do

Do you think that I don't know?  
I bet you wink to yourself in the mirror

So many of you  
and I can see right through  
they might think it matter

we don't appear on MTV  
will you stop listening?  
they all think it matters

I'm tired of having to think before  
every little thing I do  
All I want is for you to just stay  
who you think you are

I'm tired of having to think before  
every little thing I dooooooooooooo
