

Dandy Boy, Open Legs Closed Arms

WHYYYY?

I cried untill there were no tears left
and then I cried some more
I ran untill I was out of breath
and then I ran much more

1, 2, 1 2 3 4

Now you're crying crocodile tears

Why are you taking it on me?
why are you acting like you just don't see?

I had to take away your panties
and take away your stress
you opened your legs but you never
opened your arms to me

WHYYYYYYY?

Why are you taking it on me?
Why are you acting like you just don't see?

If you know how to love,
you know how to hate.
