1, 2, 1 2 3 4

Now you're crying crocodile tears

Why are you taking it on me? why are you acting like you just don't see?

I had to take away your panties and take away your stress you opened your legs but you never opened your arms to me

WHYYYYY?

Why are you taking it on me? Why are you acting like you just don't see?

If you know how to love, you know how to hate.
