

Daniel Cirera, If

Has anybody seen my baby?
Can anybody hear her call?
Cause I can't live without my baby
Has anybody seen my baby around?

I don' t mind the consequence
I can't live in this present tense
But if god has a better view
He knows what to do

Has anybody seen my baby?
Can anybody hear her call?
Cause I can't live without my baby
Has anybody seen my baby around?

I don' t mind the consequence
I can't live in this present tense
But if god has a better view
He knows what to do
