

Daniel Cirera, Motherfucker Fake Vegetarian Ex C

Hey girl, what's wrong with your principles
When you say that you're a vegetarian?
Well, I've seen you eat meat a couple of times
But I swear I won't tell anyone

And how about the affection for me
After I've been walking through hell for you
What the hell do you expect me to do

Still think that you're a
Bitch-talking Motherfucker
You're the worst cocksucker
Swore that you were true to me
Yeah, in my dreams, in my dreams
Oh, I just won't rub it in
