

# Daniel Lanois, Still Water

Sad eyes, sad eyes. Where you goin' with that confidence?

Sad eyes, sad eyes. Where you goin' with that confidence?

I'm going to where the boats go by. Calidonia River flow so wide.

I'm going to where the boats go by. Calidonia River flow so wide.

Still water, layin' over.

Still water, layin' over.

Still water, layin' over.

Calidonia River oh so wide.

Wild eyes in the wilderness. Where you goin' with the devil in hand?

Wild eyes in the wilderness. Where you goin' with the devil in hand?

I'm going to build the bridges high. For working money, for working money.

I'm going to climb the bridges high. Calidonia, brother, far away.

Still water, I'm layin' over.

Still water, you lay my body down over.

Still water layin' over.

Calidonia River so wide.
