

# Danity Kane, Ecstasy

(feat. Rick Ross)

[Rick Ross:]

It started with a Monte Carlo  
Then went and got a beamer  
Her mom call me a D-boy  
She said yes he is a dreamer  
2 tickets to the matinee  
Me and shorty way back in the day  
Now she's into films  
Our thing just starts to dim

[DK in background: ahhhhh ahhh, etc.]

[Rick Ross: talking]

You know when you dealing with a bad boy baby  
I got to keep it trilla  
Even if it hurt, you know

[Rick Ross:]

I won't sing to you like Chris and Ne-Yo  
But I'm fresher than a stick of deo  
Take you to a place where the chef is Creole  
Black bitch right next to Rio  
Running out the house just to flip the  
Dice in my pocket I'm with the c-lo  
Pull up to the crib and I hit dawn  
Beep beep

Rick Dinero (Boss)

And I quip the lado (what)  
That's right let me flip the car doe  
In the wind, might hit Chicago  
She might pick the cargo (yea)  
Let's skip Apollo  
Carlos Brados [? ]  
My Picasso (what)  
We ride or die (die)  
She my little vato [? ]

Ross

[Aubrey:]

Can't hold it back  
You know I'm so addicted to you  
Cravings attack  
Whenever I get closer to you  
I'm in control  
Whenever you're away  
I just want you here with me boy

[Aundrea:]

Let's take a ride  
I'll show you all the avenues  
Hop in my coupe  
I only got a room for two  
Let's just explore  
My only destination is you  
I'll tell you what I want to do

Baby

[Bridge: Dawn]

Can I take you to a place  
Where we can go far away  
Let's take a chance tonight  
Follow me to...

[Chorus: DK]

Extasy (boy)

You and me (boy)

I'm feeling you

I'm feeling you (feeling)

I'm feeling you

I'm feeling you

Extasy (boy)  
You and me (boy you know I'm)  
I'm feeling you

[Shannon:]  
The mood is set  
My temperature is rising  
I'm getting hot  
And there ain't no denying (ahhh)  
I know a spot  
Where can just go get lost together  
Right now I'll do whatever  
[D Woods:]  
You take me high  
But I really want to go off (off)  
Hearts beating fast  
Temp is still moving (slow)  
My fantasy  
And boy just take control  
Come on won't you let me know  
If I  
[Bridge: Dawn and D Woods (adlibs)]  
Can I take you to a place (A place)  
Where we can go far (far) away (away)

[Dawn:]  
Boy you got me twisted  
I must admit it  
I just can't resist  
I can't get you off my senses  
You make me feel brand new  
The things you do  
Oh, you know that I'm feenin' for you  
I just got to have it  
It's getting drastic  
I can't break the habit  
I'm just an addict  
For your love  
It's like a drug  
Baby let me take you to  
(Eeeeeeeeeeeeeeeee)  
[Chorus: DK, Dawn, Aundrea, Aubrey (adlibs)]  
Extasy (boy)  
You and me (I'm feeling you)  
I'm feeling you

I'm feeling you (Never knew I can feel this way before)  
I'm feeling you  
(Can we go there?)

Extasy (I wanna go there)  
You and me (boy you know I'm)  
I'm feeling you (feeling you, feeling you, feeling you, feeling you)
