

Danity Kane, Home For Christmas

(Aundrea)

Dashing through the snow
In a one horse open sleigh
O'er the fields we go
Laughing all the way

(Shannon)

I look out the window,
and see it starts to snow,
the neighbor's puttin' up Santas,
The Christmas lights gettin' hung up.

(Aubrey)

Sadness falls in my face,
knowing you ain't home today.
It's been so long since I've seen your face,
Way to long for a warm embrace.

(Group)

Why won't you come today? On christmas day?
I want you home, I want you home for Christmas
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.
I want you home, I want you home for Christmas
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.

(Aundrea)

It's hard to be alone,
Buy your presents when you're gone.
For you to see your child's face,
To hold your family-just one day.

(Dawn)

Haven't you put up the tree?
Hangin' mistletoe just to kiss me.
To dress like Santa so the kids,
Won't know we bought the presents.

(Group (Dawn, ad-libs))

Why won't you come today? (I want you home today) On Christmas Day? ('Cause I miss you)
I want you home, I want you home for Christmas, (Home for Christmas)
I want you home, I want you home on Christmas Day. (Hey, yeah)
To hold my hand and be with me for Christmas, (I want you home)
i want you home, i want you home on christmas day. (Hey!)
I want you home, I want you home for Christmas,
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.

(Bridge, Group)

I wish upon a star,
That wherever you are,
You will think of me,
You will think of me,

(Aundrea)

Think of me, yeah!

(Group (Dawn, ad-libs))

I want you home, I want you home for Christmas,
I want you home, I want you home on Christmas Day. (Ooh)

To hold my hand and be with me for Christmas, (I want you home)
I want you home, I want you home on Christmas Day. (I wish upon a star)
I want you home, I want you home for Christmas,
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas, (I want you home)
I want you home, I want you home on Christmas Day.

I want you home, I want you home for Christmas,
I want you home, I want you home on Christmas Day (I want you home, love)
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.
I want you home, I want you home for Christmas, (Ooh, yeah, yeah)
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.
