Dannii Minogue, Disremembrance (Trouser Enthu

I feel so calm tonight
Like I'm floating into space
I feel my anger now
Vanishing without a trace
I feel so weak tonight
I'm no longer in control
I feel so different now
That it's time to face my soul

You gave me the time To change the memories But if I forget myself Will you remember me?

(Remember me, Remember me)
Will you remember me?
Oh love, Oh love
Will you remember me?

(Remember me, Remember me)
Will you remember me?
Oh love, Oh love
Will you remember me?

I feel so bright tonight
Like I'm glowing in the dark
I feel so distant now
Burning like the smallest spark
I feel so faint tonight
Like I'm hardly even there
I feel much older now
But I'm still too young to care

You gave me the hope That this was meant to be But if I forget myself Will you remember me?

(Remember me, Remember me)
Will you remember me?
Oh love, Oh love
Will you remember me?

(Remember me, Remember me)
Will you remember me?
Oh love, Oh love
Will you remember me?

Oh love

I feel so different now I feel so different now

I feel no fear tonight I feel no pain I don't know what I feel Or hope to gain

(Remember me, Remember me) Will you remember me? Oh love, Oh love Will you remember me?

(Remember me, Remember me)

Will you remember me? Oh love, Oh love Will you remember me?

Remember me, Remember me
