

Dannii Minogue, Rudolph(Special Christmas Mix)

Rudolph the rednose reindeer
had a very shiny nose
and if you ever saw it
You'll even say it glows(like a light globe)

All of the other reindeer
used to laugh and call him names
they never let poor nice rudolph
join in any reindeer games (like monopoly)

one foggy christmas eve
santa came and said(HO HO HO)
Rudolph with your nose so bright
will you ride my sleigh tonight

then all of the reindeer loved him
as they shouted with glee
Rudolph the rednosed reindeer
you'll go down in history!
