## Dannii Minogue, True Blue

Hey! What?! Listen...

I've had other guys I've looked into their eyes But I never knew love before 'Till you walked through my door I've had other lips I've sailed a thousand ships But no matter where I go You're the one for me baby this I know, 'cause it's

True love You're the one I'm dreaming of Your heart fits me like a glove And I'm gonna be true blue baby I love you

I've heard all the lines I've cried oh so many times Those tear drops they won't fall again I'm so excited 'cause you're my best friend So if you should ever doubt Wonder what love is all about Just think back and remember dear Those words whispered in your ear, I said

True love You're the one I'm dreaming of Your heart fits me like a glove And I'm gonna be true blue baby I love you

True love You're the one I'm dreaming of Your heart fits me like a glove And I'm gonna be true blue baby I love you

No more sadness, I kiss it goodbye The sun is bursting right out of the sky I searched the whole world for someone like you Don't you know, don't you know that it's

True love, oh baby, true love, oh baby True love, oh baby, true love it's True love, oh baby, true love, oh baby True love, oh baby, true love it's

True, so if you should ever doubt Wonder what love is all about Just think back and remember dear Those words whispered in your ear, I said

No more sadness, I kiss it goodbye The sun is bursting right out of the sky I searched the whole world for someone like you Don't you know, don't you know that it's

True love You're the one I'm dreaming of Your heart fits me like a glove And I'm gonna be true blue baby I love you

'Cause it's

True love, oh baby, true love, oh baby True love, oh baby, true love it's True love, oh baby, true love, oh baby True love, oh baby, true love it's
